

Mombasa Go-Kart - Minigolf

How to play:

Simply start by putting the ball on the green at the start marking. Shoot the ball towards the hole with the golf club. Follow the ball until you sink it in the hole and count how many shots it takes. Record the shots in this score card. Start at hole 1 and proceed until 9. At the end, add up all the shots. Aim is to score the minimum shots. Please return club, ball and paper holder to the attendant.

Rules:

- 1) A ball knocked out of the green shall be placed back at the point of exit, with a penalty of one stroke.
- 2) A ball stuck at an edge or obstacle can be moved one golf club length away from the edge without penalty.
- 3) There is a 7 stroke limit on all holes. Mark 8 and pick up.
- 4) Do not start at any hole until players ahead have finished. Please allow faster players to overtake you.
- 5) Do not swing the golf club over knee height. Do not step on the red corners and only one player on the green at a time. **DO NOT STEP OUT OF THE YELLOW MARKED AREA.**
- 6) For hole 5, 8 and 9: If you do not pass the obstacle in a single shot, place the ball back on the starting point. After 3 failed shots, move the ball to the mark after the obstacle, with a penalty of one stroke.
